Op-Eds 2023-- Some articles so far in 2023:

***May 31, 2023: There is Middle Ground on Police Reform. Scott, Booker Must Finish the Job by

Robert Weiner and Ben Lasky in The Post and Courier

Link to published article: <https://weinerpublic.com/20230531.pdf>

***April 7, 2023: Better Protocols Needed to Keep Classified Documents Out of the Wrong House by Robert Weiner and Lexi Meola in the Indianapolis Star

There are major differences between the documents held by Mike Pence, Joe Biden and Donald Trump.

Link to published article: <https://weinerpublic.com/20230407a.pdf>

***February 24, 2023: Questions for House Oversight Chair James Comer from Bob Weiner, Former Spokesman Govt Operations & Oversight Committee by Robert Weiner and Lexi Meola in OpEdNews (ranked H2, #2 op-ed nationwide)

Link to published article: https://www.opednews.com/articles/Questions-for-House-Oversi-Government-Accountability_House-Ethics-Committee_House-Intelligence-Committee_House-Of-Representatives-230224-538.html

***February 23, 2023: Leaders Should Listen to Sanders' Points on Inflation by Robert Weiner and Parker Treichel in the Manchester Journal

Link to published article: <https://weinerpublic.com/20230223.pdf>

***February 21, 2023: In the Olympics, Age is No Excuse for Cheating by Robert Weiner and Lexi Meola in OpEdNews

Link to published article: https://www.opednews.com/articles/In-the-Olympics-Age-is-No-Athletes_Cheating_Drugs_Olympics-230221-320.html

***February 18, 2023: Social Security Still in Danger Despite Biden State of Union Success by Robert Weiner and Henry Deng in OpEdNews

Congress should be aware that Social Security and Medicare are no longer secure politically. As people face economic insecurity as inflation continues, Congress must keep its act together and truly protect, not diminish, Social Security.

Link to published article: <https://weinerpublic.com/20230218.pdf>

***February 17, 2023: Civil Rights, Critical Race Theory, African American Studies AP Attacks Are New Jim Crow as Black History Month is Underway by Robert Weiner and Sophia Hosford in the PuLSE Institute

Civil rights denials, Critical Race Theory (CRT) downing, book bans, and African American Studies AP Attacks by some political leaders -- denying the importance of actual history -- are like a New Jim Crow as Black History Month is underway.

Link to published article: <https://thepulseinstitute.org/2023/02/17/civil-rights-critical-race-theory-african-american-studies-ap-attacks-are-new-jim-crow-as-black-history-month-is-underway/>

***February 5, 2023: Self-Driving Cars Still Need Drivers. It's Dangerous to Say Otherwise by Robert

Weiner and Sophia Hosford in The Detroit News

Tests and numbers indicate there is no good reason to push technology that cannot yet perform as advertised. The prioritization of sales over safety is plaguing many industries, but doing so in the autonomous vehicle industry is particularly dangerous.

***Bob announced that "a spectacular new group of interns/policy analysts have joined the team for the summer" and everyone should "stay tuned for an amazing group of articles to come." THE NEW INTERNS/POLICY-RESEARCH ANALYSTS-OPED WRITERS are Annie Cayer, Katie Smith, Jayna Kuklin, Dante Masucci, and Charlyn Chu. Weiner exclaimed, "Get ready!"

Weiner thanked Ben Lasky for this compilation, cited his "seven years of invaluable leadership on the team as onsite director and the Bluestein Family Foundation Senior Policy Analyst." Bob also thanked CIO Jay Wind, the RWA/SFC IT Director, for his "amazing work in getting everything online, often doing the impossible."

Weiner won the National Press Club President's Award for creating and directing the program recruiting and mentoring young journalists from colleges across the country as bylined oped co-authors in major media.
